ADVANTAGE

for Auto Loans

GREEN ADVANTAGE *for Auto Loans*

SAVE SOME **GREEN** WHEN YOU FINANCE AN ENVIRONMENTALLY-FRIENDLY AND FUEL-EFFICIENT CAR! Committed to helping members and the environment, Community First's  Green Advantage for Auto Loans rewards you for 'going green' by reducing your auto rate by 0.50% APR* when you purchase a qualified[†] hybrid vehicle.

Our Auto Loans also offer:

- 0.25% discount when you use **AutoPay**[‡]
- An additional 0.25% discount when you use **Auto Advisors**^{**} to purchase your car
- **NO** payment for 90 days
- **NO** prepayment penalties
- Extended terms
- **GAP** (Guaranteed Asset Protection) & Extended Protection Plans at significantly reduced rates

* APR = Annual Percentage Rate.

† The 0.50% rate reduction only applies to green auto loans closed with Community First Credit Union of Florida. Hybrid Green vehicle specifications are as defined by www.fueleconomy.gov. Government tax incentives may apply, please consult a tax advisor for more information and eligibility requirements.

‡ The 0.25% AutoPay discount applies when payment is automatically deducted from the Community First account you specify.

**An additional 0.25% rate reduction only applies to auto loans that are closed through Auto Advisors.
